

How to Buy \$GIGLCASH

Your gateway to meme-powered riches, DAO voting, and staking rewards — all on Solana.

\$GIGLCASH runs on the Solana blockchain, which means:

- ⚡ **Fast Transactions** — Near-instant swaps with low fees
 - 🛡️ **Secure Ecosystem** — Powered by Solana's high-speed, low-cost infrastructure
 - 💼 **Wallet-Friendly** — Works with Phantom, Solflare, and more
-

Step 1: Set Up a Solana Wallet

Choose one of these trusted wallets:

- 🌈 **Phantom** — Most popular, beginner-friendly → phantom.app
- 🗝️ **Solflare** — Secure, mobile + browser options → solflare.com

💡 *Tip: Back up your recovery phrase securely. Never share it with anyone.*

Step 2: Buy \$SOL

You'll need \$SOL to trade for \$GIGLCASH and cover gas fees.

Buy it from any major exchange:

- [Coinbase](https://coinbase.com)
- [Kraken](https://kraken.com)
- [Binance](https://binance.com)

👉 After buying, send the \$SOL to your Solana wallet address.

Step 3: Swap for \$GIGLCASH

Use a trusted Solana DEX to make the swap:

- [Raydium](#)
- [Jupiter](#)

Swap Instructions:

1. Connect your wallet
2. Paste the official \$GIGLCASH token address
3. Choose how much \$SOL to swap
4. Confirm the swap

You're now part of the meme kingdom

Phase 2 (Q3 2025): DAO voting & staking go live — lock in early.

Official \$GIGLCASH Token Address

Only copy this address **directly** from GiggleCash.com

Never trust screenshots, DMs, or reposted links
