

# \$GIGLCASH Tokenomics

**Meme responsibly. Spend wisely. Rule the supply.**

The GiggleCash economy is:

- 🔥 **Deflationary**
- 🐸 **Mission-driven**
- 🔍 **100% Transparent**
- ❌ No Presale → ✅ 100% Fair Launch
- ❌ No VC Funding → ✅ Only Community-Backed
- ❌ No Stealth Taxes → ✅ 0% Buy/Sell Tax
- ❌ No Hidden Wallets → ✅ Every Move Tracked Live On-Chain

Just memes with receipts — and a kingdom built by holders.

## Allocation Overview

Allocation	Amount	Purpose
🔥 Burn	65% (650M)	Scarcity enforcement — burned forever
🔒 Liquidity Pool	12% (120M)	DEX LP setup — <b>burned permanently</b>
🏛️ GiggleFlex Vault	8% (80M)	DAO-controlled ecosystem reserve (Phases 3–6)

 Marketing & Community	5% (50M)	Growth campaigns, airdrops, listings
 Ecosystem Utility	5% (50M)	Staking, tipping, MemeRank, Wildlife Fund
 Team Allocation	5% (50M)	90% streamed vesting, 10% cliff-locked (Q4 2026)

---

## **65% Burned Forever**

At launch, **650 million \$GIGLCASH** tokens were permanently burned.

- No rebasing
- No shady unlocks
- No games

Just pure, irreversible deflation — built into the foundation.

---

## **Liquidity Pool (12%) — Burned for Trust**

- 120M tokens were paired with SOL on Raydium
- **LP tokens burned forever** — they cannot be withdrawn or manipulated
- View the LP burn on-chain via Solscan

This LP isn't just secure — it's proof of trust and finality.

---

## **GiggleFlex Vault (8%) — DAO Ecosystem Reserve**

- 80M \$GIGLCASH held in a dedicated DAO reserve wallet
  - Used only for DAO-approved needs:
    - LP reinforcement (future)
    - Staking boosts
    - CEX listings
    - Meme utility development
  - Pre-DAO usage requires 3-of-5 multisig with public receipts
  - DAO permissions begin **Q4 2025 (Phase 3)**
  - Full DAO treasury control in **Q4 2026 (Phase 6)**
- 

### **Marketing & Community Wallet (5%)**

- 50M tokens used for:
    - Meme contests
    - Campaigns
    - Influencer pushes
    - Airdrops + CEX listings
  - Multisig-protected
  - All activity logged in the Transparency Center
- 

### **Ecosystem Utility Wallet (5%)**

- 50M tokens reserved for:

- **Staking rewards** (live Q3 2025)
- **Tipping system** (Tip-to-Earn: alpha Q3 → full Q4 2025)
- **MemeRank XP bounties** (Phase 3 onward)
- **Wildlife Fund growth** (donations start Q4 2025, scale in Q2 2026)
- All usage posted in the Transparency Center

---

### **Team Vesting Wallet (5%)**

- 45M (90%) streamed monthly over 12 months
- 5M (10%) cliff-locked until Q4 2026
- All funds locked via public wallet + vesting contract

- ✗ No early access
- ✗ No stealth unlocks
- ✓ No DAO override allowed

---

### **The GiggieCash Tokenomics Philosophy**

Principle	Meaning
Community-first	Fair launch. No presale. No insider bags.
Meme-backed	Every token fuels staking, tipping, raids, memes.
Transparent	Every wallet, unlock, donation is tracked.

Long-term                      LP burn, DAO governance, future-ready Flex Vault.

---

## Roadmap-Tied Milestones

- Q4 2025 — DAO treasury voting begins (Flex Vault)
  - Q4 2025 — First Wildlife Fund donation
  - Q2 2026 — Legendary Staking Tier v2.0 unlocks
  - Q4 2026 — DAO full budget control + 2026 Impact Report
- 

## Final Message

This isn't just tokenomics.  
It's the financial engine of the meme-powered kingdom.

- Every dollar is traceable.
- Every plan is visible.
- Every holder has a voice in what comes next.

**Welcome to \$GIGLCASH.**
