## What Sets Us Apart

\$GIGLCASH isn't just another meme coin — it's a DAO-aligned, fully trackable meme economy.

- ❌ No Presale — 100% Fair Launch, no insider deals
  - ❌ No VC Funding — Community-owned, no venture capital
  - ❌ No Stealth Taxes — 0% buy/sell tax, no hidden fees
  - ✅ No Hidden Wallets — Every wallet tracked live on-chain
- 

## Fast Facts Snapshot

- 🔥 65% supply burned forever
- 🗝️ 120M \$GIGLCASH in LP — permanently burned for full trust
- 🏛️ 80M in GiggleFlex Vault (DAO multisig)

-  Team Vesting: 90% streamed monthly, 10% cliff locked until Q4 2026
-  Wildlife Fund: 10M reserved, DAO-controlled from Q4 2025
-  All wallets publicly labeled on Solscan

## Final Message

**Transparency isn't branding — it's the backbone of the kingdom.**

We burned the supply. We burned the liquidity.

We show every move — live and on-chain.

- ✅ Every meme is math-backed

-  Every promise has a receipt
-  Every holder helps rule the realm

**This is how you meme responsibly.**  
**This is \$GIGLCASH.**
